Editor-in-Chief : Dr. Sarang Mali

July 2026 highlighted the successful Wari Aarogya & Charan Seva Camps and Varshik Niyojan Baithak, bringing together volunteers and leaders from across the country. The month also featured student programmes, outreach visits, and service initiatives, strengthening Sevankur Bharat's mission of service and nation-building.

SEVANKUR BHARAT YOGA SESSIONS

In July, we focussed on building self-motivation, discipline, and holistic well-being. Building on the introspection of Dhurandhar-1, the 21-day Dhurandhar-2 programme (25 June–15 July 2026) encouraged participants to make yoga a consistent part of their daily lives.

Daily sharing of Manache Shlok by **Chanchal Jadhav** and Amrut Vachan from the Bhagavad Gita further strengthened participants' journey of self-reflection and mental resilience.

The month also featured enriching Read–Reflect–Share sessions on Punyashlok Ahilyadevi Holkar, The Seven Spiritual Laws of Success, and The Expression of Hindutva in the present era.

The valedictory session by **Dr. Nitin Patil**, who highlighted yoga's role in enhancing physical, mental, and intellectual well-being for effective service to society. The programme was guided by yoga instructors **Nandini Thakur, Sham Deshmukh, and Vasundhara Morey**, the sessions were a resounding success.

WARI CHARAN SEVA

Serving the Warkaris: Sevankur Bharat's Wari Health & Charan Seva Campaign 2026

Sl. No.	Date	Location	Region/Division
1	2 Jul 2026	Muktidham & Palse, Nashik	Nashik

3	4 Jul 2026	Paste & Lonarwadi (Sinnar)	Dhule
4	4 Jul 2026	Kundewadi & Dateli, Sinnar	Nashik
5	5 Jul 2026	Nirhale & Paregaon (Sinnar)	Nashik
6	5 Jul 2026	Rokdeshwar Temple, Parbhani	Parbhani
7	8 Jul 2026	Rajuri, Shrirampur	Nashik
8	12 Jul 2026	Ahilyanagar	North Maharashtra
9	14 Jul 2026	Chand Shiradwad, Chikodi (Gadhinglaj Wari)	Kolhapur
10	16 Jul 2026	Vathar & Khochi	Kolhapur
11	16-18 Jul 2026	Tasgaon Phata, Miraj	Kolhapur

WARI CHARAN SEVA

The Wari Health & Charan Seva Campaign 2026 was conducted from 2–18 July 2026 during the sacred Sant Dyaneshwar & Sant Tukaram Palkhi Wari. Medical camps were established at multiple locations along the pilgrimage route. The initiative brought together **325 volunteers** from various medical, dental, ayurveda, physiotherapy, and homeopathy institutions across Maharashtra, working alongside experienced consultant doctors to provide uninterrupted healthcare support to the Warkaris.

Over the sixteen-day campaign, volunteers provided free medical consultations, blood pressure and blood sugar screening, distribution of essential medicines, wound dressing, emergency medical care, and the signature **Charan Seva** (foot care service) for pilgrims who had walked long distances, often barefoot.

More than 1,800 Warkaris received direct medical care and benefited from specialised foot massage, dressing of blisters and injuries, and pain-relief treatment. The camps not only addressed immediate healthcare needs but also offered comfort and compassionate support to thousands of devotees throughout their spiritual journey.

Beyond medical service, the campaign gave students a unique opportunity to experience the rich traditions of the Wari. Volunteers participated in Palkhi Darshan, witnessed the spiritually uplifting Ringan ceremony, joined Warkaris in Abhang singing and traditional cultural activities, and experienced the warmth and hospitality of local communities who hosted them throughout the journey.

Wari Campaign became a learning experience that strengthened the values of service, compassion, teamwork, cultural sensitivity, and nation-building, reflecting Sevankur Bharat's vision of nurturing socially responsible healthcare professionals.

VARSHIK NIYOJAN BAITHAK

Sevankur Bharat successfully conducted its two-day Annual Planning Meeting at Rambhau Mhalgi Prabodhini, Uttan, Mumbai, bringing together representatives from across the organisation to review the past year's achievements and chart the course for the year ahead.

Representatives from six Prants participated in the annual meeting, engaging in comprehensive discussions on the organisation's progress, key learnings, ongoing initiatives, and strategic priorities. The meeting was enriched by the full-time presence and valuable guidance of **Shri Vipin Ji, Prant Pracharak** and **Shri Surendra Ji, Sah Prant Pracharak** Konkan Prant.

A significant milestone during the meeting was the formal inclusion of **Uttar Maharashtra and Telangana** as new Prants of Sevankur Bharat. Their addition marks another important step in the organisation's continued expansion and its mission to reach medical students across the country.

With this expansion, Sevankur Bharat now has an active presence in seven Prants: **Konkan, Paschim Maharashtra, Devgiri, Uttar Maharashtra, Chhattisgarh, Madhya Pradesh, Telangana.**

Sevankur Bharat continues to expand its organisational network through a strong and dedicated volunteer base: **1 Central Team, 7 Prant Teams, 12 Vibhag Teams, 4 Full-time Karyakartas, 75 Active College Teams, Outreach in 550+ Medical Colleges**

As the organisation continues its journey of expansion and impact, the meeting reaffirmed a common vision—to inspire every medical student to become not only a skilled doctor but also a socially responsible leader dedicated to the service of humanity and the nation.

DEVGIRI PRANT

Wari Seva • Healthcare Outreach • Volunteer Development

Sevankur Bharat Team attended Marriage Ceremony of Dr. Komal Deore at Shahada Dist - Nandurbar

During a visit to Dr. Hedgewar Hospital, Ichalkaranji, the team interacted with Dr. Rajesh Pawar, Dr. Balkrishna Hoshing and others, strengthening relationships
-Vinod Kucheriya

Dr. Jayesh Talankar interacted with Sevankur Bharat volunteers and well-wishers, strengthening relationships in Latur

Dr. Sarang Agnihotri (CVTS Surgeon) visited Latur and interacted with Dr. Sanjay Shivpuje, Dr. Devashish Ruikar, Shri Shantilalji and others
